The Cash and Pension Lifestyle Profiles allow you to nominate a Target Retirement Age, which may be earlier than the Scheme's Normal Retirement Date. The Lifestyle investment strategy will then commence the switching process (see the Standard Life Investment Choices Guide) 15 years from your nominated age. The Trustees will treat any information provided in relation to Target Retirement Age with utmost confidentiality.

I wish my Target Retirement Age for the purposes of the Lifestyle Investment Strategy to be age

Implementation of your new Target Retirement Age will take a minimum of 3 working days to implement after we have received your form and once we have advised Standard Life to make any the change to your Target Retirement Age, you cannot request any more changes until this change has been implemented.
