

WHY NOT JOIN YOUR LOCAL PENSIONERS ASSOCIATION OR SOCIAL GROUP?

Here is an up to date list of pensioners associations and social groups set up by former employees, who regularly get together to organise social events and outings.

Your local pensioners group will not automatically contact you when you retire, so if you want to be in touch with your local group, it's up to you to contact them. All the groups listed here are very happy to welcome all BAE Systems pensioners, whatever company they worked for.
